2 Accepting these terms

By using the Site you agree to these terms. If you do not agree, please do not use the Site. These terms govern use of the Site only. 3 Business use only

The Site and our products are intended for schools, academy trusts, local authorities and other organisations. They are not offered to consumers.

4 Changes

We may update these terms and the Site at any time. The version shown on the Site when you use it applies.

5 Availability

The Site is provided free of charge. We do not guarantee that it will always be available or uninterrupted, and we may suspend or withdraw it for business or operational reasons. The availability of the AudieScreen service itself is covered by the Product and Support Schedule, not by these terms.

6 Your account

If you create an account on the Site, keep your login details confidential and tell us immediately if you think they have been disclosed. We may disable any account if we reasonably believe you have breached these terms.

7 Intellectual property

We, or our licensors, own all intellectual property rights in the Site and its content, including the AudieScreen name and logo, text, images, videos and the interactive demonstration. You may view and print pages for your organisation's internal evaluation of our products. You must not copy, modify or use any content for commercial purposes without our written permission. School and trust logos shown on the Site belong to their owners and are displayed with permission.

8 Information on the Site

Content on the Site, including material about the Terrorism (Protection of Premises) Act 2025, Department for Education guidance, health and safety law and the Equality Act 2010, is general information only. It is not legal or safeguarding advice. AudieScreen supports your duties but does not discharge them: your procedures, training and risk assessments remain the responsibility of your governing body or proprietor. Take professional advice before acting on any content.

9 Prohibited uses

You must not: use the Site unlawfully or fraudulently; introduce viruses or other harmful material; attempt unauthorised access to the Site, its server or any connected database; carry out denial of service attacks; or scrape or harvest content by automated means without our consent. Breaching this clause may be a criminal offence under the Computer Misuse Act 1990, and we may report it to the relevant authorities.

12 Our liability

Nothing in these terms excludes or limits liability for death or personal injury caused by negligence, fraud or fraudulent misrepresentation, or any other liability that cannot be excluded under English law. Otherwise, we exclude all implied warranties about the Site, and we will not be liable for any loss arising from use of, or inability to use, the Site or reliance on its content, including loss of profits, business, data or goodwill, or any indirect or consequential loss.

13 Personal data

We use personal data collected through the Site as described in our Privacy Information and Cookie Policy.
